“Remember” Remember, the things he did, to show you he cared. The sound of his voice, and the wisdom he shared. Remember, a piece of advice, you'll never forget. The way that he lived his life, and the examples he set. Remember, the work he put in to doing things well. The places he'd been, and the stories he would tell. Remember, his greatest successes, he was most proud of, His hobbies, his passions, his laughter, his jokes, and most of all, his love. When you think of your him, and everything that made him the man he was, Remember, his memory lives on through you, with purpose, and because...  
In ways big and small, his life changed our world and touched our hearts in such a way that he will never be forgotten. With Deepest Sympathy, know that we care – and we are always here for you, Willie & Yvette Barnes, Jamaal Kendricks, KaShun & Akisha Davis, William Barnes, & Xavier Barnes
