“ James and I grew up together in the same neighborhood and went to the same schools. We continued in some of the same circles as classmates and neighborhood friends. I was also friends with Neldra. She and my sister Helen (deceased) were good friends. Keep your memories close to your heart and may GOD bless you with peace and comfort always.

“ Preston and I are both from Franklin County, Virginia. He was a talker. We last talked in July and talked over an hour catching up. He told me was sick and all he was going through. Preston, you will be missed. I thank God, I got a chance to talk. My condolences to his family.
