“ *I still get butterflies when I think about you not being here. I miss you so much. It took me so long to move on with my life and now feel like I am starting all over again. I used to always think that we would be like the movie "Brothers" as you would always remind me. I pray GOD gives me the strength to continue to live. I love you so much. It does make me feel better to know you left this earth still loving me as much as I love you. Rest easy my friend until we meet again.* 🥰💕❤️
