“ I have no idea what you must be going through in losing what I think is the one of most important compasses in our lives. I know what your mom was that to you, and with this loss comes so many layers of heartache. I am at a loss for adequate words to express my sadness for you. I had the blessed opportunity of meeting your mom and I know heaven just received one of the most special angels. You are a reflection of your mom in the way your treat people with respect and empathy. Not to mention the way you make each one of your friends feel loved. I am so sorry for your loss.

“ Mama Rowe is a awesome woman and her greatness lives on in all of you. She made a big impact in every life she touched and her smile was infectious. She stepped in and mothered my son in my absence and I appreciated every second. I'll never forget that she drove from DC to Pittsburgh to meet her grandbaby and she welcomed me with open arms literally. She is an amazing woman and I learned a lot from her and her greatness lives on in me. Greatness like that doesn't die. It can't. Her greatness is to much to be contained. Janice Marie Rowe lives on in all of us. I love you mama Rowe me, I will do what you told me the last time we spoke and I will continue to fight❤️
