“ My sympathies go to Janie and her family. Her life has touched so many people, even those she never knew. I was a House page back when Janie would share her gift of cooking with us and provide us with delicious dinners. She would always put love and care into those meals almost like it was our own mother making them. I wanted to write and thank you for sharing her with us kids. She will live on inside our hearts and in our memories. Thank you. -Kristen

“ I am sorry that death has touched your family, taking away someone whom you loved very much. I hope you will find comfort in knowing that Miss Janie has to sleep for just a little while, until Jesus calls and awaken her(Job 14:14,15)restoring her back to life on the renewed Paradise earth.-John 5:28,29; Luke 23:43. Until you are reunited with your loved one again, may God continue to comfort and bless the Galmon Family, during your time of sorrow.-Matthew 5:4.
