yes Joan liked to mine her chickens... from easter she got those chicks ... home grown .. and she baked the best sweetbread, made the best toolum and taught us to her secret of the best way to make Black Christmas Fruit Cake her way and still do it her way and everyone enjoys.. I am her neighbour for years since the children were quite young in Trinidad.

“ I had the pleasure of meeting Ms Joan twice. She possessed a warm , vibrant persona with an infectious smile. She made sure I tasted her tantalizing cooking. I had spinach naan among other delicious food I never tasted before. A very generous , vivacious lady ! Unforgettable!
