“ *Always helpful conversations, advice, recommended tasks, pleasant and watchful. Kind and compassionate about life in general. I will miss our front porch discussions on ways to a "good fight" on this life journey, and the reasons it is "nice to be nice" even in adversity. Thank you for all the impromptu teachings and talks. I only wish you had told me good-bye before just leaving me in disbelief and in wonder. Thank you for the opportunity to know you over the past 25 years. I'll always remember You and hold your the entire Spann family in prayer today and everyday. Thank you for your light. CYNDE Thomas, neighbor-friend.*
