“ To my dear Aunt Lila, Pam, Jackie, Stacy, and Jeff, I can't express enough how sorry I am to hear of Uncle Joe's passing. He was a very special person and a favorite uncle. My family regret so much that we couldn't be with you during this time. Please know that we have been praying for you and that you are in our hearts and on our minds. We love and care for you all so much. Please accept our sincere sympathy.
