“ To The Family Of Joyce Smith,

Joyce and I went to Eastern together. She was one of the sweetest kind person I known.

I'm really having a hard time with this we talk all the time. We would go to shows together. We also spend the night over each other house . I had just call her so now I know why she never call back .Joyce I'm really going to miss you . Save a place for me up in heaven until we meet ago.

RIP My Dear Friend.

“ *My dearly loved friend has departed my life. Joyce was the most peaceful soul I've ever known. I've never seen her angry during the 30+ years I've known her. I loved her laugh and all of the many times she spent with my family and I at cookouts, New Years and meeting her at restaurants, worshipping with her during church visits and so much more. This departure is only for now but we will be together again and so I can experience the vibrant signature laugh of Joyce.*

To the family it hurts now I know but Joyce is resting peacefully now in the arms of God with her son.
