“ *Hi Cora,*

Thinking about you in your time of loss. Ken was always a calm, gentle man who gave wise, sage advice to me during NAED Conferences and Board meetings. He never met a stranger, nor was there anyone he wouldn't help. As a young man early on in the industry, I could look to Ken as the example of how to do things right. For that I'm much appreciative.

Thoughts and prayers to you and your family.
