“ *It takes a village to raise a child and Kevin was my village. My son Ian knew him as Uncle Kevin, but in so many ways he was a father to my son and a brother to me. Kevin had the biggest heart and his kindness extended too so many people. A good brother gone to soon, but his legacy will never be forgotten. Love You Kevin and thanks for always being there no matter what. Love Tonnie & Ian*

“ *My Uncle Kevin was a great person. Me and his son Kyle grew up together and were only 10 days apart in age. Uncle Kevin always made sure that everything Kyle had, I had it too. He was always a giving and compassionate person, not to mention his sense of humor. This lost definitely hurts me and my family, but I will forever be grateful for all the memories we shared. Love you Uncle Kevin!💕*

“ Kevin was always kind to me. I remember him and Mr. Ted around a lot as I was growing up. They didn't just work on projects with my Dad. They were true friends like family. I will always remember this both with warmth and authenticity. Wishing Cheryl and the rest of your friends and family support and strength during this unimaginable time. We love you.

“ Kevin's passing saddens me greatly. Losing him only a few weeks after the loss of his father pains us all. He was a talented, energetic guy and likable person who was greatly loved by his family. Kevin provided great support to his son, his parents, and siblings. He made sure that both his mom and dad had what they needed. While he will be surely missed, Kevin accomplish a lot during his journey of life. May God continue to bless, keep and sustain the family and his love ones.

“ Kevin was a special friend, I was fortunate to have been gifted with a short and precious period of time with him. In this time he touched my soul with his graciousness and selflessness. I will miss his welcoming and never ending smile, and forever cherish my memories with Kevin.

Family my thoughts are with you, let time heal and his memories fill you with joy.
