poem

His journey just begun

Don't think of him as gone away, his journey's just begun. Life holds so many facets, this earth is only one. Just think of him as resting, from the sorrows and the tears, in a place of warmth and comfort, where they are no days or years. Think how he must be wishing, that we could know today, how nothing but our sadness, can really pass away. Think of him as living, in the hearts of those he touched, for nothing loved is ever lost, and he was loved so much.

poem

An eternal memory, until we meet again.. those special memories will always bring a smile, if only I could have you back just for a little while. Then we can sit and talk again just like we used to do, you always meant so much and always will do too. The fact that you're no longer here will always cause me pain, but you're forever in my heart, until we meet again.
