

Lawanna Robinson

June 28, 1950 - May 8, 2026

It with deep sadness we announce the passing of our beloved Lawanna Dale Robinson that peacefully transitioned to her eternal home on April 4, 2026. Lawanna was born on June 28, 1950, in Washington, DC. Lawanna was the first born of the late Jesse James Robinson and Barbara Aileen Robinson.

Lawanna began her education at Holy Name Catholic School. She attended Hamilton Junior High School and earned her GED at Franklin Adult School all located in the District of Columbia.

Lawanna was a true Washingtonian in that everything she did was DC. She completely understood the culture, the community and all that came with it.

Lawanna loved her children and was devoted to each one of them. Lawanna welcome being a grandmother with all her heart and cherish every moment she had. Lawanna loved her siblings in a very special way. Lawanna spoke a language and communicated with them that they all GOT IT! Lawanna was a dear sister to her baby sister, Lenya.

In her later years of life, Lawanna was united in marriage and shared her love with the late Lindsey Vaughn.

Lawanna had a gentle spirit and was kindhearted and full of compassion. She dedicated much of her life working as a home healthcare professional which she truly loved. Lawanna found great joy in caring for others, especially the elderly.

Lawanna leaves behind a legacy of love and kindness that will forever live and be cherished by her mother, Barbara Aileen, her two sons Leon Jackson Jr. and Michael Peters., two grandsons, Kenneth Lee James III and Chase Cunningham, her sister Lenya Gregory-Perkins (Steven), two brothers, Torrea Robinson and Lance Robinson.

Lawanna is also survived by a host of nieces, nephews, cousins, and friends who lives she touched so deeply. Lawanna was preceded in death by her beautiful daughter Tiffany Peters-Cunningham, lovely sister Tara Robinson Shivers and matriarch grandmother Norine C. Berryman

The family extends heartfelt thanks for your love, prayers, support, and generous contributions during this time.
