“ Larry was a dear, dear "big brother" of mine. I met him while in an apprenticeship at Johnson and Jenkins FH during the late 80s early 90s. He, Mr. Jenkins and Tom Jordan taught me so much about the funeral industry. I am deeply saddened by his passing that I am just learning about. Rest with the Angels Larry, I will never forget you. You always knew how to make me howl with laughter and you never forgot to put a peach Bartels and James wine cooler on ice for me with your beer!!! Love you Larry. Your little sister, Cristi (Coles) Terrell

*I am just learning of Larry's passing. I worked with him in DC and he introduced me to Joe Brown, who I worked for in 91 and 92. He ALWAYS talked about you and Lamont's Bar!!!! I remember Mony well. Bless you. I loved Larry like a brother. He was the realest of the real.*
