“ Dear Essie, Kim and Family: My heart, thoughts and prayers are with you during this difficult time. There are no words to express what you are going through but remember God has everything under control and He will comfort you as you mourn for your son, brother, husband, father and grandfather. May it comfort you to know that Lewis is resting in the arms of our Lord. Earth has no sorrow that heaven cannot heal. It's alright to grieve and grieve you should do; it's a part of healing. May God continue to wrap His loving arms around you as you mourn the lost of your love. Lewis will live in your heart forever.

“ *Sister Dinah & Family: "Earth has no sorrow that Heaven can not heal" Thinking of you all and knowing God is carrying you through. As I think of Brother Cooper and his warm smile, as he greeted us on sabbaths in the lobby, I am honored to have known him. I am thinking of how he had us move down at the Easter program, so he could get a seat right behind you guys, because there was no more room on the pew with you, and I heard him say, did you save me a seat? (smile). I will miss seeing him coming in to church, but I know GOD has a better seat for him, and soon and very soon you will be able to sit with him again, you, the girls and the little grands, calling papa. The family will see him again, keep faith, trust GOD, I love you and am praying for strength for all of you at this difficult time. Sister Kathy Spence, Natasha and family*
