“ Sending my love and deepest condolences to The Johnson, Striplin, Flournoy, and Bryan families.

In loving memory of Lisa, whose outward beauty was only surpassed by the radiance of her inner soul! A true warrior who sought and found peace, compassion, understanding and agape love. The big sister to my best friend Ericka! Lisa will be dearly missed.

From the earliest days on 113th Drive, Lisa's presence was a beacon of purity and loving-kindness. She embraced and recognized God early in life, grounding her as a true friend to all.

The prettiest girl on the block, Lisa's beauty was matched by her unwavering spirit and genuine heart. She will forever remain a cherished part of my heart and the 113th Drive Crew, and her legacy of love and faith will continue to inspire us all. RIP my precious friend ❤️

“ My sister-in-law...I love you!! Spending time with you these past two weeks watching HGTV, laughing, talking, walking and making funny faces at Charles for being so attentive are memories I will cherish. i never wanted to leave your side and wanted Charles to know that I was there for the both of you. The God in me kept me strong for the both of you. Chuckie... I love you and as your sister I can say you have been a great husband to Lisa and you made her happy and was right there by her side until she took her last breathe, Lisa was a God fearing woman and sweet. She endured great suffering, but glory to God her soul is at rest. Thank you God!! Until we meet again sister-in-law...thank you for being a part of our family Pumpkin

“ My dearest, selfless and beautiful friend Lisa- I am honored to have had the span of time I did with you at Derm Associates. I always looked forward to our morning talks before everyone came in! I enjoyed when we would both contact our mothers via phone and yell in the background to greet them! Your presence, and unspoken words had such a weight of STRENGTH. Remember how I use to get on you about taking time off for yourself? I am so glad you're resting in our Savior's arms! I miss you terribly! Love Lynnette, Luisa and Ghana

As my 1st cousins my love and memories go back a long time. Our times in the Catskills with Papa and Grandma, jumping of diving board in Amityville, to my first modeling pictures. So many good moments in life which I will always cherish. If you had the pleasure of meeting Lisa, she truly was an Angel on earth. RIP cuz. My condolences to Aunty Barbara, Charles, Issac and Mark and the family. 🙏🙏
