“ *Lu was the first person to befriend me when I came t work at the Office of Workers' Compensation. We became friends very quickly and spent a lot of time laughing and playing at work. She had a heart of gold and would do anything to help you. I was just coming to grips with the fact that I was not going to see her at work everyday (because of her retirement) but I don't know I if will ever come to grips with the thought of not seeing her forever...at least not on this side.*

I will miss my friend for as long as I live. Take your rest Lu and I will see you on the other side.

“ This is very heartbreaking to read. Lulu was one of the first people I worked with as a young 16 year old at Fannie Mae. She became such a very important part of my teen to adult growing and a very good friend. My thoughts and prayers go out to her entire family and all of her many friends.

“ Lulu was such a positive beacon of light & beautiful soul to everyone she met. Lulu was essential to my life and who I have become; from being another Mom to me during my CUE days, to her getting me my career job at FannieMae. And although I didn't see her much in recent years, she has always been very dear to my heart. She was truly one of Gods special gifts to us all. And will be sorely missed. RIH Lulu

“ Lu was such a giving person! There were times when I thought Lulu fed the whole Workers' Comp office when she ordered her breakfast and lunch!!!!!! I always loved to hear her laughter in the office... It was such an honest laugh! We were the "early birds" in the office (7:30 am) ... so we had a short time to tell our stories. But when it came down to office work, she was down to business!!! I will miss her so much! Lynda Burton

Sometimes a person enters your life to bring laughter, friendship and caring, Lu brought all of these into my life and I know she earned a special seat in heaven.

My heartfelt condolences to Lu Lu family and friends. I had the pleasure of working with Lulu over the two decades and recollect the many pleasant conversations we shared as well as our work situations. Even as my job position changed and we would see one another in passing through the hallways Lu would stop to embrace me with a hug and smile and encourage me to keep moving forward. Lulu, You will be missed but never forgotten. RIP
