You was always so goofy and i will always be your wing worm :) you never called me by my real name it was always that and i will miss that. You were a great cousin even though you made me wear a helmet at the dinner table since i was so clumsy. But remember that you are gone but never forgotten. WE LOVE U DURO!!!!!!!!!!!!!!

“ Dearest Maduro, My heart is heavy at your passing and I will miss you so much. We go back to the days of Douglass JHS, onto Ana/JROTC and then into grownfolk hood. I met your children and you met mine, and though we didnt see each other much in the later days it was a pleasure remebering the old days with you, and also to serve alongside you in DCMR. Thanks for the laughs wit yo crazy self. May you find rest now, and peace too. See you Duro, see you.....

“ Please accept my heartfelt sympathies in the loss of your dear loved one. How comforting in knowing Almighty God has not only the power but also the desire to resurrect our loved ones. Jesus himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." John 5:28,29

“ I wish to express my condolences to the family. I know that your loss is great. May you find comfort from the God of all comfort who can help you to cope with your sadness. It can be so hard to face each day without your loved one, but the love and support of family and friends and, of course, our loving Creator, can help to ease the pain and sorrow. Again, please accept my sincere condolences.

“ *Maduro,*

A thousand times we needed you A thousand times we cried If love alone could have saved you you never would have died A heart of gold stopped beating two twinkling eyes closed to rest God broke our hearts to prove he only took the best you're will always be in my heart and my soul. I love you and I will never forget you. You were my little brother.

Love you always, Vickie
