“ Greetings Redman Family. My condolences. But I am not sadden because "Mom" is gone but because you are sadden and will be missing her. Mom Redman live a long and productive life with much love for her family and much love and respect for all that knew her. That one promise from our Lord and Savior, Jesus Christ, is "with long life will I satisfy you and show you my salvation", was give her. May you be encouraged to know that by being absent from the body will make you in the Lord's presence. May God continue to bless you and keep during this time of transition.

Very truly yours,
Angela
