“ *Mark was always a cool dude in high school. As time moved on, we hooked up again when he used to work for the Sam’s Club and we would talk about his life at the time. Mark was always a hard worker and always loved his family especially his little one. I will miss our short and brief chats. I’ll see you later my brother.*

“ *My heart felt condolences to Mark's entire family. My last conversation with him was May 28th, 2020. We have been friends since high school until he went away to the military. We continued our friendship. I'm so sorry that I just learned of his transition on this day after his homegoing services. There is a whole in my heart without him, however, I am glad that he resting in peace with no more troubles of this unfriendly world. Reach out to me anytime.*
