“ *Mark use to be in our biker group. He was a very special friend who I loved dearly. I just found out 2day about his passing. There were messages in my fb inbox that I never check often. I even sent him a invitation to my bday party in June & now I know why he didn't respond. I really wish I could have been there to say my last goodbye. RIP buddy, I miss u so much.*

“ *To Mark's family and Belva, I send to you my deepest sympathy. Mark was a great guy. I met him through a mutual friend Devron Thornton. He will be greatly missed but never forgotten.*

I met Mark at the Maryland Center for Veterans Education and Training (MCVET) six years ago in July 2010. I gained a great deal of respect for Mark as I got to know him. I was saddened to hear the news, and my deepest condolences to his children and family.
