“ Was in utter shock to hear of my friend Marla’s passing. The mother hen of our group of Howard U friends. She always kept us straight and out of trouble. Will miss her and her smart wit. Rest easy my friend.

“ Marla was always "the disciplinarian " of our group. We are in utter shock to hear of her passing. Having gone to both high school and college with her, traveling on group get aways, she always kept us "in line". I will truly miss "Mother Marla". Rest easy my friend.

“ Ms Russell you were one of my favorite subs. You never complained about my class and they loved you. I was so sad to hear of your passing today. Wish I had known sooner. Rest easy

“ *Marla was our next door neighbor in Laurel and were fortunate to have known her for over 20 years. We knew Marla loved going to Joanne's Fabrics to buy material to make her quilts and loved to read. She was a great neighbor, quiet, kept to herself. She had a wonderful unique laugh that I will never forget. Every year after the HOA inspections she would reach out to us to help her with her home maintenance which is how we kept in touch all these years after we moved away. We had just spoken to her not that long ago to powerwash her driveway so was shocked to hear of her passing. She will be missed but know she is in a better place and will be reunited with her mother whom she was very close with and her Uncle who also used to help her do things around her home. God bless her and condolences to her loved ones. Dawn and Mario*
