“ *I was so very very sorry to hear about the passing of Mary, I was always very fond of Mary as a child I loved her spirit, she always seem to preserve in any situation. She was a take charge woman and was always in control for that I respected her tenacity and penchant for life...May her spirit live on in her loved ones..For you all have been blessed to have her for so very long...May God bless you all during your period of transition for she is singing with the angels.....For the White Family whom I have loved most of my life....*
