“ I would like to express my condolences to the family. How we can find comfort in knowing our loving creator promises to reunite us with our loved ones. The Bible offer this hope to us at Isaiah 26:19

“ Mrs. Hale was a pleasant and kind person. She was one of the first neighbors I meet and my favorite. As one of her neighbors I was blessed with her presence when she would be attending to the yard. I always look forward to her coming outside and working in the yard because, I enjoyed conversing with her. As years passed, I began to see her less and greatly missed those times we shared. She reminded me of my mother and that always gave me a warm feeling. God bless your mother and her family.

“ I met Mrs. Hale in 2002 when we became neighbors, and there were many times we shared warm conversations or just generous hellos. She will be deeply missed, but forever a living presence in my heart.

One story that stands out in my mind is:

"One day I heard the door bell ring, however; when I look out there was no one there. I called Mrs. Hale to ask if she could see anyone at my door from her window, and she looked and replied, "No, I don't see anyone." A few minutes later, I heard the door bell again, and when I looked out, there was no one there. I called her back and said I heard it again, can you look to see if you see anyone? She looked, and again replied, "No, there is no one there."

While we were on the telephone discussing who was ringing the door bell, I heard it again and realized, it was the door bell on a TV show. We both laughed so hard that day.

You see she was more than a neighbor. We became each other's eyes during the day when everyone was at work.

Again, I will miss her and if ever Joell or other family members need to call upon me, I will be here.
