“ *Grandma, I don't even have the words to express how much I miss you. I knew you would have to go one day but I never imagined a life without you. You had so much wisdom and I learned a lot from you. I'm going to miss looking over and seeing you in church everytime I'm there. You always had me laughing about something. I'm going to miss hearing your sayings . You had a saying for everything many of which me and Chelsea use to this day! You will forever be in my heart. I will never forget you. I pray the pain of losing you will go away and I only pray that I will be able to see you again some day.*

I shall always remember Mother Mattie Moss; one of the most striking things about her to me was the sharp, crystal clear memory, strong spirit and warm and radiant smile she possessed until the end. No matter how much time had passed since we last met, I was always greeted by name and with a warm and loving smile. My message to her always, 'I want to be just like you when I grow up.'

In years past, I can remember her shouting and singing in church, if I had to summarize her; it would be a Godly Woman with a directed purpose, her very spirit exuded purpose and determination. There is a soft spot in my heart for the strong pioneering women who held their families together with Faith in God, Love and unwavering determination; to me Mother Mattie Moss was the exemplification of such a woman.

I will forever miss being welcomed by her sweet spirit and loving expressions whenever I enter Bethlehem Church of God Holiness, DC. Family, you can find comfort in knowing and with deep assurance that hers was a full Godly life and well lived!

She will be missed.

“ I can remember a lot of warm memories of Mother Moss, growing up in Bethlehem DC and working closely with her Son in Law with his business, I was able to spend a little time with her outside of the church setting. But 2 things I remember very well are her singing, Some Day, Some Happy Day- she knew all the verses and wasn't ever afraid to sing it and keep singing it to get the spirit going in Bethlehem; and also, whenever I would see her, the greeting I got was, Hi honey, so glad to see you. I'm praying for you! Great memories and you'll forever be missed and loved!!!

“ Grandma, remember the times you use to save me from getting a spanking by throwing a fit like my dad was scaring you and then we would laugh about it together later. Remember when you took Britt and i on the bus to go to McDonald's and Sears and we got stranded but we never told our parents. You was the best grandmother a girl could ever ask for. You did anything in your power for us and gave us whatever you could. Thank you for all the many memories that i can't even mention on this post because you always taught me: "you tell some, you keep some, and you'll always have some". Forever in my heart, love Chelsea.
