“ I don't think I'll honestly stop grieving but God needed you up there more than I did down here and who am I to question it? I wish I had got up when you had told me the food was ready and I wish I had went to the store with you Grandma and I'm sure you would've lived a longer life 💔 😞 🙏. I love and miss you dearly Grandma and continue to get your rest.

“ I am so sorry for your loss. Losing a loved one is never easy. Jehovah God promises to do away with all of our suffering very soon. In Revelation 21:4, it says "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." I encourage you and your family to read this with your own copy of the bible. I hope this helps in your time of need.

“ We were sorry to here about the passing of McCellar: We are sure that she will be missed: However God will fill that void in your hearts and strengthen you to deal with your lost. McCellar was a fiend of ours from North Carolina A & T State University. I will miss emailing her. May God be with the entire family.
