“ *Sending my condolences to Melvin's family. When I heard of his passing, it was very touching. I will miss him fussing with me when I tripped the circuit breaker from using the heater at work and had to call him to flip it back lol. He will TRULY be missed.*

“ *Butch, I will never ever forget you. We go back to the days of Charles Stevenson, The House of Peace, tights, capes, high school gymnasiums and then some... It was not uncommon for us to go awhile without talking and then have plenty catching up to do. I always thought we'd catch up again. RIP my dear friend, until we meet.*
