“ *Clutch was a good brother. He fought the good fight and I was glad to know him as a person. Coolidge was the place to be back in the day and seeing him walking the same halls was a good thing. May he rest in eternity with the Father. Condolences to his family. He left many friends who honor his friendship. Peace and blessings.* ”

*I will miss that wide smile and passion for life. I remember when your family moved to the neighborhood. You presented yourself as if you had been living on the block for years. I want to thank you for checking in on my mom and being the light that lite up the room. Sleep well my sandbox friend.
