“ May you rest in peace Troy. You are going to be missed tremendously. Yesterday was fathers day and while in church the tears started to over flow my eyes with sadness and pain of you not being able to meet your daughter... You will always be kept present and alive in my eyes so she can always know she is forever daddy's little girl.. RIP Troy... miss you now and forever

“ If we could have a lifetime wish and one dream that could come true. We would pray to God with all our hearts just to see and speak to you. A thousand words won't bring you back, We know because we've tried and neither will a million tears We know because we've cried You've left behind our broken hearts and precious memories too But we've never wanted memories We only wanted you Your loving sister "sissy"
