Nadine - During this time of your transitioning, your kind spirit and infectious laughter will remain with me as a symbol of your brightness and the joyous moments shared with others.

May you rest in peace, beautiful spirit.

“ *My dear friend dear Nadine whom I have known for over forty years. Once upon a time we worked together, laughed together, broke bread together, shopped together, and shared good times together. How happy we were back then. Once upon a time will never come again. I will always keep a special place in my heart for you. I will miss and remember you always. We will meet again my friend. Until then we will meet in my dreams. Rest in peace my dear friend Nadine.*

Kim, Gary, best friend Anthony and extended family I share in your sadness. You are in my thoughts and prayers.
