“ I had the honor of coaching Nate in basketball at Surrattsville for several years. Nate was enjoyable to be around at all times, doing his up most for his team and all those around. Nate did not have an evil 'bone' nor idea towards anyone. He will be remembered for his kindness to all who knew him.

“ Nathan was a guy that everyone literally looked up to at Surrattsville High School. He represented us proudly on the basketball team. The way he passed showed me how noble and generous he was as a human being. His wealth can be measured by those good deeds he did for the people around. He gave more than just money. He gave himself.
