“ I did not get to finish my message to Ora’s family before the site canceled out. Therefore, I shall attempt to do it over again and send it. Ora was one of my best friends at the Dept. of State. We have known each other for more than 40 years and truly admired and respected each other. The Lord brought Ora to my mind a month ago and I didn’t follow up with a call to her. Therefore, it was a shock to see her obituary in the newspaper 3 days after her service. I prayed for her, but intended to call her and just say hello. Now, she has gone home to be with Him. To the family, as you know, she was a jewel and loved helping anyone, especially children. The memory of Ora will always be special to me and I shall never forget her. She had a quality of strength and beauty that made her witness as a Christian real. She possessed a sweet sweet spirit and I pray the women in her family will remember that special feminine way she had. Her spirit was the kind God says is pleasing to Him. I am so thankful to have known her and I praise God for putting us together. (I shall made a donation to the scholarship fund, as requested, in her memory.)
