“ They would invite me to family gatherings and I would always sit by Gina . She had me laughing the whole time. I was her babysitter for 6 months I took her 4 children to school at Randall Highland. She will be missed

“ *The Chambers Family:*

I'm grateful and blessed to have known your Mother. She had such a beautiful spirit and love for others. My Son, Sean, for many years adored and talked about your mother. Ms. Chambers was a mother to him. She nourished Sean with so much love; especially when he was going through a life threatening illness. She did what God asked; she loved Sean with all her heart, supported him through a tough Season, provided him with God's encouraging words and many prayers. Her gentle love comforted him. With such a Godly Woman and mother, that same love lays within each of your hearts. My family is forever grateful ❤️

Family, as you miss your mother, remember that she's in Heaven with her Maker. "Grace to you and peace from God our Father and the Lord Jesus Christ."

Amen!
