“ I knew Rianna from school and I am so very sorry for your loss. She was a very special student who always greeted me with a warm smile. I remember her determination to graduate, her kindness toward other students, her creativity and her humor. She was a beautiful soul who brought a smile to all of us at school.

“ My deepest prayers and condolences to Rianna's family and friends. May your memories of her help in this sad time. My favorite among many is a week before her last day of school, she wrote the sweetest note on my board with the final message saying "do not erase until after graduation!" She was always a kind soul and determined student in my class.

“ I am saddened by the news of Rianna's passing. My condolences to her family. Rianna was a student in my advisory class. Whenever she came into the classroom she always greeted me with "Ms. Shawnetta what's up", with a big smile on her face. She was always so friendly to her classmates and staff. Rianna will truly be missed. Rest well beautiful angel.

“ *To the Crup family, I was saddened to hear of Rianna's passing. I remember her so well, coming in with Grandma to assist her when she had to teach the 4-5 year old kids at FBCG. There were very few times that Rinna missed helping grandma and when she became of age, I told grandma to sign her up for fingerprinting so she could join the ministry. This is a shock to see her death notice and I pray that God will give the family peace, and comfort you, as you remember some of the good times shared with Rianna.*
