Tribute Wall

SE

“ Dear Sonia,
On behalf of my family and my mom please accept our deepest sympathy of the passing of your Grandmother and my Aunt. Aunt Rilda was so humble, a peace-maker, a giver and she loved everyone she came in contact with regardless of their status. When she passed Heaven welcomed another Prayer Partner and I know 'it is well with her soul'. Memories will forever keep you connected to her.
Lots of Love
Sarah & Family
