“ Wow I too wondered what happened to Darnell. I went to Trexler Middle School and always hated playing against Tabernacle. I remember Reggie football injury. They played us that night. The whole stadium was silent. There was nothing like that fast pasted offense. Rest easy Montford Brothers.

“ Something compelled me to do a search tonight for a childhood friend. I was saddened to read he had departed this life - unaware he lived nearby.
Many of my favorite childhood memories included time with Darnell (that's what we called him then) and his brother Reginald. I suspect they are catching up in heaven forgetting the pain that surrounded them when Reginald died due to his football injuries so many years ago.
For the family, my deepest sympathies. I can only imagine the loss you feel with Darnell's passing. Please know that the memory of your sons remain with their friends even after all these years.

“ Dear Montford Family: I wanted to send my deepest and sincere condolences during this unfortunate time in your lives, but I also wanted to share with your family a comforting promise that God gives in his Word the Bible about the hope of us seeing our dead loved ones again, it's found at John 5:28,29 which in part reads:"Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life,". Your family will be in my prayers, my sincere condolences.
