“ *This is Charles L Conner from NYC and I will always remember uncle Winnie as one of the many elders in the family who welcomed myself and the rest of the NY family and family from other places always showing that family love inspite of the many challenges we all face and for laying the foundation of always having each other and will always be grateful for that especially in the world we live in.*

“ *Uncle Winnie,*

As my birthday twin (March 14th) and my father's namesake (Robert Scott), it pains me to not be able to attend your service today and to offer a song of encouragement. Please tell the family hello and give them our love when you reach the ancestral realm. Love and appreciate the life you lived as the last sibling. We will keep the family ties strong! Sending love to the entire family during this time. Peace & Blessings Everlasting (Andaiye Jamila, Dyrell, Niambi, and Nyla).
