“ I only knew Rodney for a year, but in that short time, we developed an interesting and reliable friendship. We were able to talk about anything in life, and at the end of discussing all of our problems and trials, we were always able to smile, and say that we could be much worse off. I will miss our meetings at Duclaw and I pray that you are resting in peace and smiling with that beautiful smile. Thanks for always being there for me when I needed you most.

“ Rodney was an impressionable guy who I only had the pleasure of knowing for a very short time during his tenure at the VFW Post 8950. I had a few conversations with him and I could tell he was a very likeable person who magnetized people. Rodney will truly be missed.
