Rosa Lee Freeman, lovingly known by family and friends as Sue, was born December 11, 1949, in New Kent County, Virginia. She entered eternal rest at Adventist Hospital on June 22, 2023. Rosa was the third child born to the late Leroy Morris and Viola Morris. She accepted Christ at an early age. Rosa was educated at Cumberland Elementary and G.W. Watkins High School in Virginia. Rosa later moved to Washington, D.C., then Maryland and began working in the hospitality industry for 30 years, where she provided great leadership and customer service until she retired. She paid attention to the details – it was the little things that added the finishing touch to every experience. Rosa loved to party and have a good time. You could always find dancing and listening to music. She loved oldie but goodie music and Al Green was her favorite. She was the soul of her family and always made the best meals. The family would always gather at her house for special moments and holidays. She had a great sense of humor and always loved to laugh with family and friends.

Rosa is survived by her loving husband Gus Freeman, two daughters – Carlene Morris and Darlene Morris, son – Gustavus Freeman and daughter-in-law, Sharenia Freeman, brother-in-law – Johnnie Freeman, grandchildren: Arnu Diggs, Shanay Morris, Clinton Morris, Dikeyna Williams, Ryan Morris,

Gustavus Freeman, Gustavia Freeman, Tiana Gray and Tihana Gray and 14 great grandchildren.

She is also survived by two sisters – Anne Erskines and Beatrice Taylor, three nieces – Barbara Erskines, Kim Morris, and Kisha Smith, one nephew – Ronald Erskines, one great niece – Tonisha Erskines, one aunt – Annie Travers, longtime friend – Betty Dunkins, along with a host of cousins and friends.

In her own words, “I lived a great life! I love my family so dearly and most of all, I love my children and I will always be with them forever. My husband, he’s been a heck of a man to me. I really, really love him. He’s the best thing in the world that ever happened to me. My grandkids, I love all of them.”
