“ Oh my my my....Sister McElveen you will be truly missed. Whenever I visited my Dad/Family at 13th Street, she would always greet me with a firm loving hug and would say "I'm so glad to see you again Renita, How you been". I remember those warm summer days from my youth when we would beg her to come over for dinner after Church. We (Karen, myself, my Sister Octavia & Regina) would eat the best meals and play for hours until it was time to go back to Church. She was like one of our "other Mothers" in the Church during the days of my Youth. Although my work load will not allow me to attend her Home Going Services, I wanted to at least share my childhood fondest memories of our beloved Sister McElveen. May God bless you Karen, Janice, Brother McElveen and rest of her Family. May her sweet memories comfort you during the difficult days ahead. God Bless you and I truly Love you all.

“ Sister McElveen was one of my "other mothers" and always showed love and had that great smile, even when the signs of dementia started progressing rapidly. She as well as the rest of the family have set up residence in my heart and will continue to live there. May God continue to bless the family, keep you in his loving care and grace and comfort you in your time of sorrow.

*My Dearest McElveen Family:*

*I am so deeply saddened by the passing of my Dearest Mother in the Gospel-Sister McElveen. She was a dear Friend to me. She had a canny way of keeping me straight when I would mess up, she would whisper to me with that familiar smile and grin and say "Girl you are something, I'll call you later" which meant oh no to me, I messed up.*

*These last few years, I missed her talking with me on the phone for the eight to nine hours drive all the way to South Carolina from DC just because she did not want me to be lonely driving on the highway by myself.*

*When I reached South of The Border, she would say "Ok I'll hang up now, you're almost home, I love you." Oh, how I'm going to miss those "I love you"*

*I want to thank you Brother Mac, Janice, Karen and family for allowing me to share her.*

*My health would not permit me to be there with all of you to share in her Home-going. Always know I'm here for all of you.*

*Love you always,*
