“ Dear aunt Kay.... Do you know how much I'm going to miss you?... No one will ever replace the hole in my heart where I'm holding my love for you... you were and will always be special not just because my mother is named after you but because of the strong women you were... I'll love you forever....

“ Although we are all going to miss her, she is in a better place now. Now is the time to celebrate her life and time to live, love and enjoy the rest of ours. That's what she would want for all of us. We owe it to her!!! We really do!!!
