“ Mom I don't remember the first time we met but I do remember we
were at a funeral service for one of Half's childhood friends and
Franks mother thought Ernestine was me and she asked oh is this
the one that is stealing your son. I was next in line standing next to
Ernestine and I said NO I AM :). I was taking your baby your son.

*I know with time you realized how much I loved him and had no
intention of hurting him. We had a few chuckles about that moment
later between you and me.*

*You will be missed <3
