“*Shaista was your precious gift from God, whose purpose was to make this world understand what love, friendship, goodness, and humbleness was all about. As you continue without her physical presence, remember the everyday occurrences, the laughs, the stories and the smiles as you remember her purpose. So as she has moved on to take her rest, know that she is watching over all of you from above, and she's bestowing her beautiful smile down on all of you that love her. May her soul rest in paradise.*

I am a thousand winds that blow, I am the diamond glints on snow, I am the sun on ripened grain, I am the gentle autumn rain. When you awaken in the morning's hush I am the swift uplifting rush Of quiet birds in circling flight. I am the soft starlight at night. Do not stand at my grave and cry, I am not there; I did not die.*

Is it unfinished? Or is it endless?

“ Donny, Please accept My Prayers and Condolences to You and Your Family during this time~ Peace and Blessings~"WHEN GOD CALLS LITTLE CHILDREN" When God calls little children to dwell with him above, We mortals sometime question the wisdom of his love For no heartache compares with the death of one small child Who does so much to make our world, seem wonderful and mild Perhaps God tires of calling the aged to his fold, So He picks a rosebud, before he can grow old. God knows how much we need them, and so he takes but a few To make the land of Heaven more beautiful to view. Believing this is difficult still somehow we must try, The saddest word mankind knows will always be "Goodbye." So when a little child departs we who are left behind Must realize God loves children, Angels are hard to find.

“ *The Day God Called You Home* God looked around his Garden and found an empty place. He then looked down upon his earth and saw your loving face. He put his arms around you and lifted you to rest. His Garden must be beautiful, he always takes the best. He knew that you were suffering, he knew you were in pain. And knew that you would never get well on earth again. He saw your path was difficult, he closed your tired eyes, He whispered to you "Peace be Thine" and gave you wings to fly. When we saw you sleeping so calm and free of pain, We would not wish you back to earth to suffer once again. You've left us precious memories, your love will be our guide, You live on through your children, you're always by our side. It broke our hearts to lose you, but you did not go alone. For part of us went with you on the day God called you home. Rest Peacefully Amongst The Angels, Shaista. You Will Be Sadly Missed. Nikki Anderson & Family.
