“ I have a lot of fond memories of my cousin, Sharon. The one that stands out is how she spent time with when we visited each other. She shared her knowledge and wisdom freely. As a matter of fact, she was my first tutor 😊. She helped me with Math, Writing and she taught me how to study more effectively. I am so happy and thankful to GOD to have had you in the early years of my life. Now, it's time for you to rest from the worries of this world and lay in the bosom of our LORD until that GREAT DAY when All GOD's Children get together.

Love ❤️, Michelle

*Sharon and I were classmates from Hinds County Agricultural High School, class of 1982. I had recently reconnected with Sharon a couple of years ago. She was a very vibrant and intelligent woman. What we shared in common was that we both worked for the Federal Government. I offer my sincere condolences to her family and want to say that she is now with God! She will be truly missed!!!*

“ Sharon, my dear sister...I am at a lost for words. Our last conversation was just days before God called you home. I am going to miss your radiant smile and how outgoing you were. This seems like a bad dream that I am trying to forget. I know God was ready for his child to come home and no more suffering and He welcomed you with open arms. I am so sad..but knowing that God received you back this is reassuring that we will meet again on the other side. You will and is truly missed and definitely love by me. I will forever keep you in my heart. Rest in peace my dear sister. I love you and will miss our long conversations and laughter...remembering the good times that we shared. John 16:22. ...Forever in my heart...Love Greta Richardson
