“ Daily we shared many laughs and kept secrets. Our birthdays were a month apart and on the same day. My family extends dearest sympathy to the Williams family near and far away. Sheila silently slipped away but will remain in our hearts.

“ My sincere condolences to the Williams family. Sheila and I sat together at church on Sundays she didn't sing. She was my friend and I'm surely going to miss her.

“ Our condolences to the family of Sheila. We pleasantly experienced the blossoming of Sheila from a very young age on Powhatan Pl, NW. Let the memory of her life make us even more steadfast in the conducting of our own daily lives.

With love,
