“ *I remember Shirley as a very loving, caring, gentle and wonderful person. I worked with her and was very sadden by the news of her passing. I'll keep you all in my prayers.*

“ *Shirley had such a kind soul. Her smile would brighten a room. I will miss her quick humor. I truly enjoyed the time I worked with her and consider it my honor to have known her. To her children - She loved you more than words can express. Her eyes would light up just talking about you and the grandchildren. It was one of my favorite things about Shirley. Please know all you brought great joy to her life and it was evident to anyone who knew her. My thoughts are with you all.*

We never know or understand why our walk on this earth is over sooner than anticipated. Shirley touched so many lives during her walk on this earth. With her lovely smile and humble spirit. She was an angel amongst us; gracing us with her encouraging words. She is now with our heavenly Father gracing the heaven's with her presence. Serving as one of God's most dedicated angel in heaven. Shirley, you are missed and most of all...loved.

Please know my thoughts and prayers are with the family during this time of loss.
