“ I am deeply saddened to hear of Steve's death. I saw him almost every day when I was practicing in D.C. Superior Court in the late '90s. I knew him to be energetic and purposeful and that he maintained an extremely active law practice. He always helped me when I had a question and I knew him to be an able lawyer. I am deeply saddened to hear of Steve's death and am sorry that we lost track of each other over the years. My most sincerest belated condolences to Steve and his family.

“ I am sorry this is so belated, a notice was just posted on an alumni list serve for Antioch. Stephen and I were in the same class at law school, a small class of only about 220 people. So while he was not in my circle of close friends I saw him everyday. I remember him as bright and energetic and when both of us continued to practice in DC after graduation, I would run in to him and found him to be dedicated to his clients. My prayers to his family as you close in on the anniversary of his passing.
