“ *Mr. Coward was a passenger of the DAV Transportation service at the VAMC in Martinsburg, WV. I was his driver for many of his appointments and we became friends. He told me of his Mother's love of fishing in the 'bay', and of his trips to see his Grand babies. I was to have a procedure that I was nervous about, that he had already had several times. He told me he sit with me to show that it was not as bad as I expected. HE WAS RIGHT!!! Later he told me I would make a good Marine, I was Navy, and I will remember that forever. I am glad to have met you and be your driver. Semper Fi Ray! You will be missed in Steve's office. Mr Jim*
