“ I would like to express my condolences to the family. How we can find comfort in knowing our loving creator promises to reunite us with our loved ones. The Bible offer this hope to us at Isaiah 26:19

“ To my friend in Christ and neighbor: I know this is a difficult time for you and your family but please know that I am here for you. Should you need me I will be right there for you. Your mom was a woman of honor and much dignity. She was strong a raised a beautiful strong woman. To God be the glory she saw you through many trials and tribulations and stood by your side. I am so glad to have met her as she was a also a very wise woman and you know all that she said would come to light. Please continue to follow the guide she printed for you as it was done with much love and most importantly, it was through Christ and again, please know that I am here for you always.
