We want to send our condolences to Leon and all his family for the loss of their sister, Tina. We were very sad to hear of her passing. Losing a family member is always hard, and a baby sister can be extremely hard. We will be praying for you, your sister and brother and that God will keep you all strong through this trying time. We also pray that God also touch her children and may the memory of the love their mother had for them keep them strong. Deepest sympathy to the Wran family! God Bless you all!
